We are all praying for God's hand of blessings to be on our church. It seems as though God's hand has always been on this church in a very special way through out the years. It gives us confidence as we move into the future.

As we start this new year, there are many in our church that are going through difficult times and need the support of their church family. Ms Pat and I appreciate all your prayers and the love you show to us every day; you will never know how much it means.

Pray for the service today. every service is important; because we all come with special needs that only, God through his spirit can meet.

Love you all; God bless!

Dr. Malcolm S. Clements

Scripture: Psalms 18:46 "The LORD liveth; and blessed by my rock; And let the God of my salvation be exalted."

Please continue to pray for all our church families, relatives, friends, and neighbors with health issues or needs for salvation.
